

Craft Instructor Training Scheme AITT Results (2019-20)

Directorate General Training (DGT), Ministry of Skill Development & Entrepreneurship (MSDE) announces results of All India Trade Test (AITT) for Craft Instructor Training Scheme (CITS) Academic Session (2019-2020)

- A total of 7535 trainees appeared for AITT across 34 trades and 45 Institutes spread across the country, which was held in two batches, October and November 2020, the passing percentage being 80.57.
- Ms. Savitri, trainee of Dress Making trade from National Skill Training Institute for Women, Jaipur, has topped the examination, scoring a phenomenal 95.44%, with a total of 242 trainees scoring 90 % and above.

New Delhi, March 31st 2021: The Directorate General of Training (DGT), under the aegis of Ministry of Skill Development & Entrepreneurship (MSDE), has announced results of the All India Trade Test (AITT) for CITS Academic session 2019-2020. Among its wide range of skilling endeavors, DGT offers Crafts Instructor Training programmes under Crafts Instructor Training Scheme (CITS) to ITI trainees who are aspirant of pursuing a career in skill training. Comprehensive training both in skills and training methodology is imparted to the instructor trainees to make them conversant with techniques of transferring hands-on skills, to train skilled manpower for the industry.

In view of the Corona pandemic, the theory and practical examinations were conducted in two batches, namely in the months of October and November 2020, by strictly adhering to guidelines issued by Ministry of Health and Family Welfare from time to time.

For session 2019-20, a total of **7535 trainees** across **34 trades** and **45 Institutes**, appeared in the examination, which was held in **79 exam centers** across the country.

At the end of one-year long CITS training, an All India Trade Test (AITT) for each of the **34 trades**, is conducted online by DGT. This test consists of Multiple-Choice Questions (MCQs) which examines the Trade Knowledge of the candidates. Apart from this, practical examination is also conducted in the respective Institutes, to test the hands on skill acquired by the trainee where an external examiner, who is a field expert, assesses performance of the trainees. These practical examinations rigorously test the trade skill as well as pedagogical approach of the trainees. On successful completion of the training, the trainees are awarded National Craft Instructor Certificate (NCIC).

Congratulating the successful trainees, **Ms. Neelam Shami Rao, Director General (Training), DGT** said, *“In view of the PM’s vision of making India the skill capital of the world, CITS plays a pivotal role by way of generating expert skill trainers, who empowered with the knowledge of hands on skill and pedagogy, would in turn impart skill training at the grass root level. Also, it is noteworthy to observe that women have fared really well in this examination, which further reflects our focus on women empowerment.”*

The list of toppers (as under) for all trades can also be seen on the website <http://www.dgt.gov.in>
